

ALEXANDRA S. McGLINCHY

215-350-9657 | asmcglinchy@gmail.com | alexmcglinchy.com

Data analyst with a background in data visualization and public interest work, seeking to contribute to data-driven projects with real-world impact.

SKILLS

Front end web development (HTML, CSS, and JavaScript); front end visualization with d3.js; data and statistical analysis with Python (pandas, NumPy, scikit-learn, SciPy, matplotlib, seaborn); Tableau; QGIS; ArcGIS; Adobe InDesign; Excel; GitHub; Google Suite.

EDUCATION

CUNY GRADUATE CENTER New York, NY
M.S. in Data Analysis and Visualization Feb. 2024
Relevant Coursework: Advanced Data Analysis Methods; Advanced Interactive Data Visualization; Data, Culture and Society; Working with Data: Fundamentals; Visualization and Design; Intro to GIS: Methods and Applications

SKIDMORE COLLEGE Saratoga Springs, NY
B.S. with Honors in Studio Art, minor in Mathematics May 2014

DATA EXPERIENCE

MAKING SENSE OF MAKING PAROLE IN NEW YORK STATE Aug. 2023 - Jan. 2024

- Collected and consolidated public datasets using web scraping (Selenium, Python)
- Cleaned and transformed data using pandas in Jupyter Notebooks
- Conducted statistical analysis to identify factors influencing parole outcomes
- Developed an interactive data visualization using d3.js

NYC'S INCARCERATED POPULATION Apr. - Dec. 2022

- Aggregated and cleaned multiple datasets using Python
- Worked with geospatial data in QGIS to analyze patterns across NYC neighborhoods
- Created data visualizations in Tableau to communicate key findings
- Built an exploratory visualization using d3.js

WORK

GLADSTONE GALLERY Queens, NY
Art Handler Sept. 2023 - Present

- Maintain and update inventory records to track artwork location and movement within the warehouse
- Open and reseal artwork, ensuring the preservation and integrity of valuable pieces during storage
- Collaborate with team members to support efficient warehouse operations and logistics
- Assist with condition reporting by documenting artwork status and supporting time-sensitive assessments

FLIPBOOK MACHINE Brooklyn, NY
Head of Production 2021 - 2023

- Designed new machine parts using Adobe InDesign and CAD software
- Managed production of 100+ Flipbook Machines

J.C. FONTANIVE STUDIO Brooklyn, NY
Artist Assistant 2016 - 2023

- Served as the sole studio assistant, independently managed production processes and priorities with minimal oversight
- Identified and solved production problems to improve efficiency
- Executed detailed fabrication methods with high precision, ensuring consistency across multiple works
